KLIPFIX

Clip for rolls of expanding joint-sealing tape

Areas of application

Can be used to secure rolls of CONTEGA FIDEN EXO expanding joint-sealing tape that have already been started.

Supply forms

Art. no.	Weight	Sales unit	GTIN
15651	0.03 kg	1	4026639156518

Advantages

- ✔ Partially used rolls are kept closed
- ✔ Prevents the tape from expanding
- ✔ Saves on material and costs

Made in Germany developed and produced by pro clima

The applications and conditions described here are based on current research findings and practical experience. We reserve the right to change the recommended application designs and installation methods and to develop and thus change the properties and quality of individual products. We would be glad to inform you about the current state of engineering knowledge at the time that your installation is carried out.

The planning documentation that is available from pro clima provides further information about installation methods and design details. If you have questions, please contact pro clima Technical Support in Germany at +49 6202 278245.
