

Enquiry form

Made-to-order membranes for roof projects

* ☐ Price enquiry * ☐ Preliminary order

Roofing underlay membranes

* ☐ SOLITEX WELDANO 3000 * ☐ SOLITEX QUANTHO 3000 connect * ☐ SOLITEX MENTO 3000 connect * ☐ SOLITEX MENTO 5000 connect

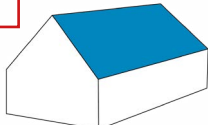

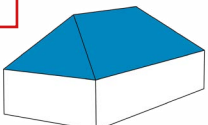

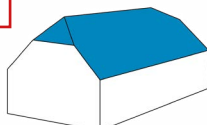

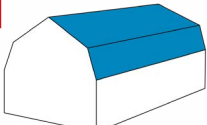

Airtightness membranes for roof retrofit projects

* ☐ INTELLO X connect * ☐ DA connect * ☐ DASAPLANO 0,01 connect

Your data for precise pre-fabrication:

- + m² of the relevant surfaces
- + Eave lengths
- + Ridge lengths
- + Actual rafter lengths
- + Actual hip/valley lengths (if present).
- + Roof pitch in °
- + Cross-sectional and eave perspective drawings with dimensions (PDF, DXF, DWG, hand-drawn depending on the roof type)
- + Specify the water run-off direction

Roof type

- * ☐  Gable roof * ☐  Hip roof * ☐  Half-hip roof * ☐  Mansard roof * ☐ Contact us regarding other roof shapes

Please send detailed 2D surface drawings as a **PDF and/or .dwg or .dxf** file by e-mail to **order@proclima.com**. Hand drawings are also acceptable, but please be sure to clearly mark the correct lengths.

Please note:

- + We will allow an additional 20 cm for all lengths used in calculations.
- + We will allow an additional 50 cm for all valley lengths.

* Compulsory fields

Please note that orders for project-specific membrane sheets cannot be cancelled once we have received your order.

Goods will be shipped on Euro pallets. Delivery 10 working days after receipt of order. Upon submission of the completed form, the customer assumes liability for the correctness of the dimensions. Amendments must be submitted in writing and can only be accepted if pre-fabrication of the made-to-order membranes has not yet been started.*

Square / Rectangle

I require a **pre-fabricated membrane** for this project as follows:

Roof pitch * °

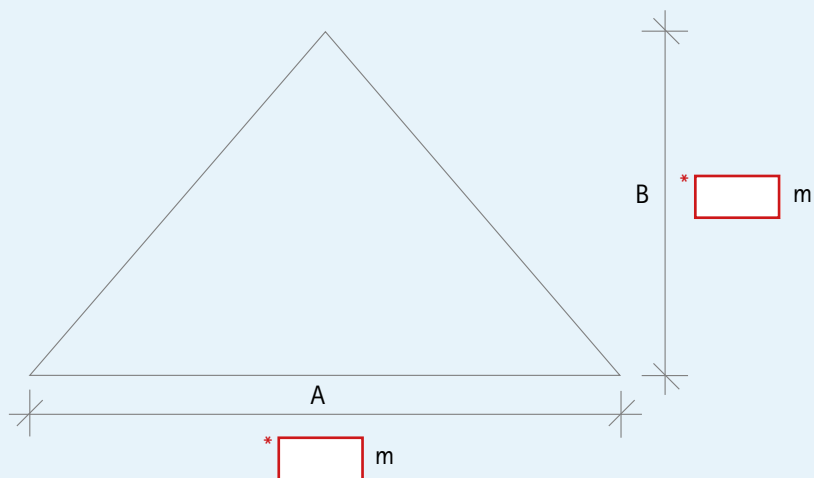

Total area m²

Max. area per sheet: 11.8 m x 25 m
(Bargeboard length: 11.8 m (38' 9");
Eave length: 25 m (82'))

Triangle

I require a **pre-fabricated membrane** for this project as follows:

Roof pitch * °

Total area m²

Max. area per sheet: 11.8 m x 25 m
(Bargeboard length: 11.8 m (38' 9");
Eave length: 25 m (82'))
